

1 May 2014

Thanks for the volunteering to help in Oxnard Sport Festival (OSF)FI 2014. Consider this your pre-game instruction from the OSF Ref Staff.

**Ref Check-in.** Please check in at the Tournament Ref Table at least 30 minutes prior to your assigned game time in appropriate attire (referee jersey, black pants and referee socks).

**Game Duration.** The game duration for the different divisions are shown below. Please make sure that all pool play games **FINISH BEFORE** the scheduled start of the **NEXT GAME**, regardless the time played. At Fremont, we have only 75 minutes between each game. Bad things happen to the referee schedule if any fields fall behind.

**Player Safety Check.** Please remember to do your traditional pre-game safety check as team check-in will not do any. If there are any questions on specific policies, check with the ref table.

**Game Start.** Do the coin toss. Home is North/East and Fremont and North at College Park. College Park will have players and coaches on one touchline and spectators on the other.

**Incident Reports.** Please do the paperwork after your game for any cautions or sends offs. We'll have the forms at the Ref Table.

**Game Cards.** Game cards must have be stamped by the tournament staff to indicate team check-in. After the game coaches should sign their game card to confirm playing time. Per National guidelines, all players are required to play ½ of the game. Please note time out for injury or late arrival.

Thanks again for your support. See everyone Saturday (or Sunday).

OSF 2014 Game Duration			
Div	Pool Play	Semi-Finals	Finals/Consolation
10	50 mins		
12	50 mins	60 min - PKs for tie	60 mins - two 5 min OT / PKs for tie
14	60 mins	60 min - PKs for tie	70 mins - two 5 min OT / PKs for tie
16	80 mins		80 mins - two 5 min OT / PKs for tie
19	90 mins		
<b>Pool Play Games must END before next Game Time (regardless of time played)</b>
