### TEAM PARENTS

#### Become An AYSO Team Parent!

The AYSO Team Parent is a pivotal part of every team.

Every coach needs help arranging snacks and water for games, making calls when rain or snow makes practice impractical, and keeping an energetic team in line on the sidelines. You're making a difference for a whole team - a team that includes your child. It's a great way to make your child's team a family experience!

Another important role a Team Parent can play is the unofficial Kids Zone™ representative at every game. Kids Zone™ is one of the ways AYSO makes sure all its players and volunteers are having fun. The program encourages spectators to use good language, show good sportsmanship in attitude and behavior, and create an enjoyable day for every player. The Kids Zone™ button, parent pledge form and sign, remind those on the sidelines to act appropriately, and a Team Parent can wear and share these important tools with everybody watching the game.
